

Useful information for guests of trainings at Driving Camp Pachfurth

Dear participant!

We look forward to your visit to Driving Camp Pachfurth. To ensure that your stay is to your complete satisfaction, please note the following information:

We recommend clothing suitable for all weathers and sturdy, comfortable shoes. Trainings will take place in all weathers! If you use the services of Speedworld during your stay, please make sure you wear sporty clothing and trainers. You are welcome to bring your own helmet for the kart or quad rides. If the weather is warm or you are using the jet ski facility, please bring a change of clothes and a towel.

If you have not hired a vehicle you will drive your own vehicle. Only vehicles that are in a roadworthy condition are permitted.

Appropriate protective or safety clothing must be worn during motorbike training! Insufficient clothing can lead to exclusion from the training!

Before starting your trip to Pachfurth you should

- remove all loose objects from the vehicle (secure the load if necessary),
- check the tyre pressure according to the operating instructions,
- check the effectiveness of your brakes and
- fill up your tank to at least half full

Our in-house gastronomy offers you good and inexpensive catering, from breakfast to a small snack to a rich lunch buffet.

We wish you a pleasant journey and an eventful day in Pachfurth!
